Hi Janetta,

It is a pleasure to meet you. George is very generous in his description. I do run the Center for Radiation Information and Outreach. I am happy to talk anytime. My staff and I are here support however you might need.

Jess

Good morning ladies and by way of introduction – Jessica is my “go-to” person on helping me on getting the message out pertaining to radiation. She has a wonderful staff that can make this happen.

Thanks and take care!
